It is with great excitement we announce our new organization co-hosting alongside Piedmont Association of Health Underwriters for the golf tournament this year, TAG: The Act of Giving that is a partner of The Free Medical Clinic. We are actively seeking participants for our "Going for the Green" Charity Golf Tournament to be held on November 13, 2018 at Paris Mountain Country Club.

By playing, or sponsoring a team in the Tournament, not only will you be supporting The Greenville Free Medical Clinic, but also our community. For 30 years our team at GFMC has provided thousands of patients with quality healthcare, completely free of charge. With the help of volunteers like you, we offer medical and dental services, ophthalmological care, as well as prescription medications to hundreds of our established patients and up to 20 new patients every week.

Please consider playing (\$75 per player) putting together a team (\$300) or by becoming a sponsor. Attached please find registration forms, as well as sponsorship information.

Most importantly this tournament is about participation and raising awareness about what we do here at the clinic, so please forward this email and attachment to any friends or colleagues you think may be interested!

Call Gretchen Smith at 864-616-2833 for questions.
We look forward to seeing you on the course!
